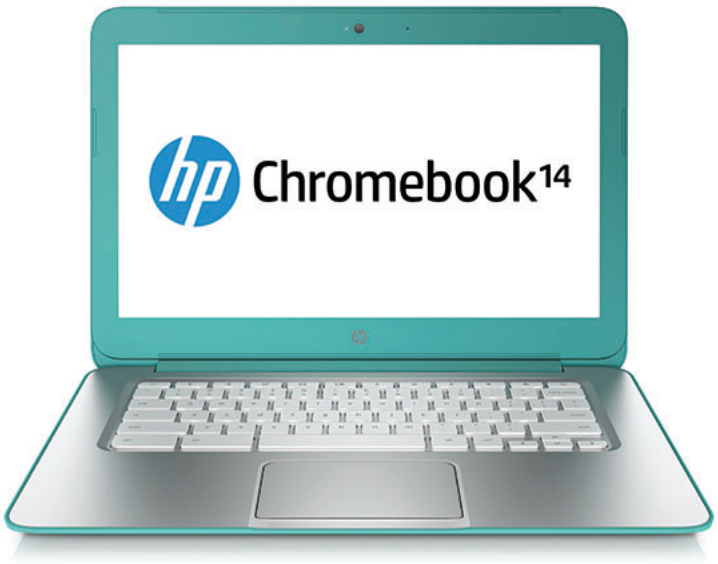
HP Chromebook 14-q005sa PC (ENERGY STAR)

Bigger screen. Faster HP Chromebook.

Open your sleek, next-generation Chromebook to get online, fast. You can access your favorite websites and Google Chrome apps on the 35.5 cm (14") diagonal HD display in seconds[1].



Browse on the big screen.

Take it all in – websites and apps really pop on the 35.5 cm (14") diagonal HD display.[2] See the full picture, in vivid color, for an uncompromised web and entertainment experience.

The speed you need.

Give all your tasks a boost with apps that perform at top speeds. This ultra-responsive Chromebook is powered by the newest Intel® processor for a no-hesitation experience.

Never slow down.

Access your favorite websites and apps no matter where you roam. When WiFi runs out, you can keep going – as the optional built-in 3G keeps your Chromebook connected in more places.

No Wi-Fi? No Problem. Data package included - no contract. HP DataPass.[3]

Go beyond the bounds of Wi-Fi with 3G+ mobile broadband for 2 years. Ready out-of-the-box, turn on, register, and go with mobile internet service up to 250MB per month with no contract, no credit card and no overage fees.[3]

[1] Internet service required and not included.[2] High definition (HD) content is required to view high-definition images.[3] HP DataPass service starts on date of hardware purchase and is subject to availability. HP DataPass entitles customer to 250MB data usage every month for 2 years. Additional monthly data usage packages are available for purchase. HP DataPass data packages are also available to purchase after the expiry of your two years of included monthly data. Data connection speeds can vary due to location, environment, network conditions, and other factors. Use or activation of HP DataPass service is your agreement to Fogg Mobile AB's Terms and Conditions. Available on select HP PCs and Tablets SKUs in select countries only, check with your local HP reseller for availability.
